

Ainsworth®

Turquoise® — the new look of GREEN

AinsworthEngineered® Now FSC-Certified

Long prized for superior quality, Ainsworth's Turquoise-edged OSB products from Minnesota are FSC certified

- OSB structural floor, wall and roof sheathing
- Jumbo OSB panels
- Thermastrand™ Radiant Barrier structural roof sheathing
- Other specialty overlaid panels

Choose **AinsworthEngineered** FSC products and build GREEN.

The FSC logo identifies products from well-managed forests.

LEED Credits

AinsworthEngineered FSC products qualify for LEED-H credits, subject to certain conditions. To accumulate LEED credits, for example, you need to demonstrate that the FSC Chain of Custody certification has remained intact from the product's manufacturer to your supplier. For more information visit: www.fsc.org/en/getting_involved/become_certified/get_chain_of_custody

For more information on the LEED program visit www.usgbc.org

FSC Certification

An independent, non-profit international organization, the Forest Stewardship Council (FSC) sets worldwide standards that encourage better forest management and balance environmental, economic and social interests. When you buy an FSC certified product, you reward responsible forest management.

For more information visit www.fscus.org or call 1-877-FSC-5646.

OSB Sheathing

With its distinctive Turquoise edge color, **AinsworthEngineered** OSB has long been favored for its superior quality and reliable performance. Quality assured by APA—The Engineered Wood Association, **AinsworthEngineered** OSB sheathing is now available FSC certified.

Thermastrand Radiant Barrier Roof Sheathing

Due to its unique one-step in-line manufacturing process, Thermastrand provides superior foil adhesion guaranteed against delamination. This Energy Star® qualified product is available Structural-I or PRS grades, and now FSC certified as well.

Jumbo & Specialty Overlaid OSB Panels

Ainsworth is the only producer of FSC certified Jumbo OSB panels. The panels are available in a variety of dimensions from 4ft and 8ft wide up to 24ft in length.

Other AinsworthEngineered FSC Certified Products

- PRS and Struc-I Grade OSB panels
- Sturd-I-Floor® panels
- MDO overlaid OSB panels for industrial applications
- Special sizes available on request

Our three Minnesota Mills— Bemidji, Cook and Grand Rapids— are FSC certified under certification number SW-COC-2119.

FSC Panel Sizes

	APA PRS	APA STR-1	APA Sturd-I-Floor	4' WIDTH	8' WIDTH	8' LENGTH	10' LENGTH	12' LENGTH	14' LENGTH	16' LENGTH	24' LENGTH
3/8"	X	X		X	X	X	X	X	X	X	X
7/16"*	X			X	X	X	X	X	X	X	X
15/32"*	X	X		X	X	X	X	X	X	X	X
1/2"*	X	X		X	X	X	X	X	X	X	X
19/32"	X	X		X	X	X	X	X	X	X	X
19/32" T & G	X	X	X	X		X		X			
5/8"*	X	X		X	X	X	X	X	X	X	X
23/32"	X	X		X	X	X	X	X	X	X	X
23/32" T & G	X	X	X	X		X		X			
3/4"	X	X		X	X	X	X	X	X	X	X

* Thermastrand Radiant Barrier Roof Sheathing is available in these sizes. Ainsworth OSB panels use resins that meet LEED Credit requirements regarding low emissions from adhesives and sealants.
